Attorney Docket No. LECP:106US

U.S. Patent Application No. 10/550,962 Reply to Office Action of April 20, 2007

Date: May 22, 2007

Remarks

Amendment to the Specification

In the current Office Action, the Examiner questioned whether Applicant meant Figure 2

rather than Figure 8 in paragraph 0028 (page 7, line 14) of the specification. Applicant thanks

the Examiner for noting this error. Applicant has amended paragraph 0028 to replace Figure 8

with Figure 2 in the specification. Applicant respectfully requests entry of this amendment of the

specification into the record.

The § 112, second paragraph Rejections of Claims 1-14

The Examiner rejected Claims 1-14 under 35 U.S.C. § 112, second paragraph for failing

to particularly and point out and distinctly claim the subject matter Applicant regards as his

invention. Specifically, the Examiner noted that in Claim 1, it appeared that a clause had been

left out after the second use of the term "socket" in line 5 of Claim 1. Applicant thanks th

Examiner for noting this error.

Applicant has amended Claim 1 by deleting the term "said socket" from Claim 1. No

modification of the term socket are required on line 5 of Claim 1. Applicant respectfully

requests reconsideration and allowance of Claim 1.

Claims 2-14 depend from Claim 1 and thus incorporate all the limitations of that claim.

Because, as discussed above, the amendment to Claim 1 renders that claim allowable, it also

renders Claims 2-14 allowable. Applicant respectfully requests the removal of the rejections of

Claims 2-14 and allowance of those claims.

**Allowed Claims** 

The Examiner has allowed Claims 15-28.

## Conclusion

Applicants respectfully submits that the present application is now in condition for allowance, which action is courteously requested. The Examiner is invited and encouraged to contact the undersigned attorney of record if such contact will facilitate an efficient examination and allowance of the application.

Respectfully yours,

C. Richard Lohrman
